**Writing the War** Aug 01 2021 As expansive as it is personal, this chronicle of World War II is a firsthand account by a journalist and the woman he would marry of the dramatic events that engulfed the world in the middle of the twentieth century. The correspondence between Charles Kiley and Billee Gray also tells the poignant tale of two young people in love but forced apart by the circumstances of war. Edited by Charles and Billee's daughter, son, and son-in-law, this never-before-published compilation of letters is a striking example of the heroic, call-to-duty spirit that characterized "the greatest generation." Charles was a soldier-journalist for the U.S. Army's Stars and Stripes newspaper and reported on the war from London, Normandy, Paris, Reims, Belgium, and Germany. As the sole reporter allowed direct access to Eisenhower's staff, he was the only reporter on the scene when the German high command was negotiating its unconditional surrender on May 7, 1945. Among his army newspaper friends and colleagues was Andy Rooney, later CBS correspondent and 60 Minutes commentator. Billee, like many young women of her time, witnessed the war years from the home front and filled vital civilian roles--defense-industry plant worker, Red Cross volunteer, war bonds salesgirl, and civil defense plane-spotter--and wrote about it all in her letters to Charles. Peppered with fascinating details about soldiers' and civilians' lives, and including Stars and Stripes articles and personal photographs of the era, *Writing the War* is both important history and a tribute to two remarkable people as well as their extraordinary generation.

**The Highlanders** Apr 16 2020 Nineteenth Century Collections Online: European Literature, 1790-1840: The Corvey Collection includes the full-text of more than 9,500 English, French and German titles. The collection is sourced from the remarkable library of Victor Amadeus, whose Castle Corvey collection was one of the most spectacular discoveries of the late 1970s. The Corvey Collection comprises one of the most important collections of Romantic era writing in existence anywhere -- including fiction, short prose, dramatic works, poetry, and more -- with a focus on especially difficult-to-find works by lesser-known, historically neglected writers. The Corvey library was built during the last half of the 19th century by Victor and his wife Elise, both bibliophiles with varied interests. The collection thus contains everything from novels and short stories to belles lettres and more populist works, and includes many exceedingly rare works not available in any other collection from the period. These invaluable, sometimes previously unknown works are of particular interest to scholars and researchers. European Literature, 1790-1840: The Corvey Collection includes: \* Novels and Gothic Novels \* Short Stories \* Belles-Lettres \* Short Prose Forms \* Dramatic Works \* Poetry \* Anthologies \* And more Selected with the

guidance of an international team of expert advisors, these primary sources are invaluable for a wide range of academic disciplines and areas of study, providing never before possible research opportunities for one of the most studied historical periods. Additional Metadata Primary Id: B0154801 PSM Id: NCCOF0063-C00000-B0154801 DVI Collection Id: NCCOC0062 Bibliographic Id: NCCO002629 Reel: 306 MCODE: 4UVC Original Publisher: Printed for Henry Colburn Original Publication Year: 1824 Original Publication Place: London Original Imprint Manufacturer: Printed by J. **Regionalism and the State** Jun 30 2021 Empirically rich with highly detailed case studies on the North American Free Trade Agreement (NAFTA), this comprehensive volume studies the relationship between regionalism and state behavior. The traditional pattern of past studies of regionalism and regional integration has been to understand how state strategies molded the dynamics of an integration process. This study examines the impact of regionalism on the policy preferences of member states. This volume offers three theoretical contributions: an empirical test of the convergence hypothesis studies of institutions and their impact on domestic politics an examination of foreign policy preferences and the neo-functionalist concept of 'spill-over' Recommended reading for students of regionalism, international political economy, international trade, foreign policy and North American studies.

**Much Left to Right** Nov 23 2020 Underneath the wholesome image of the world's largest democracy lies an unescapable sway of Left ideology and its pervasive grip on the intellectual breadth of the nation's diversity. When Patanjali wins laurels for her seminar on ancient Kerala's prowess in mathematics, Hindu saints had developed pivotal mathematical theories presented by Europeans in later centuries as their own work, her colleagues - leftists and liberals term it as daring. As moderate success in rural politics begins to lure a dedicated farmer Chhattar out of his noble profession, he conveniently forgets how all along he longed for his baapu to leave politics. On a different plane, Chhattar's sister, Sapna Singh, finds her IT job empowering. When she gets unsolicited favours from competing colleagues, the beautiful lass grabs it in no time; for it is her passport to escape the relentless clutches of patriarchy. A story of individuals, a melee of twenty-first-century-second-decade of this diversity, influenced by their identity crisis, has begun to affirm - to right it, is their Right.

**Social Murder** Dec 13 2019 "Ronni's mind fell completely silent. She stopped being aware of the room around her, there was only the hateful figure of a bully and an abuser ahead of her, all else was a blur." You're in a strange city. Your friend is missing. Could you find the courage to do what is necessary? Would you even know where to start? These are the questions faced by law graduate Ronni Wong when her friend Jenny disappears after a date with a man she met online. Finding evidence suggesting that Jenny's internet lover hides the darkest of secrets, Ronni is forced to embark on a journey through social media to discover the identity of a kidnapper, and then a dangerous race against time through the streets of Metro Manila to save her friend's life. The clock is ticking, can Ronni make it in time? Join Ronni as her investigation into one disappearance leads her into mortal

danger. Social Murder will keep you on the edge of your seat, and at the same time challenge you to think about how you use social media. Are you safe online?

**Automotive Ergonomics** Feb 19 2023 Ergonomics teaches how to design technology in such a way that it is optimally adapted to the needs, wishes and characteristics of the user. In this context, the concept of the human-machine system has become established. In a systematic way and with a detailed view of the complicated technical and perceptual psychological and methodological connections, this book explains the basics of automotive ergonomics with numerous examples. The application is shown in examples such as package, design of displays and control elements, of environmental ergonomics such as lighting, sound, vibrations, climate and smell. The design of driver assistance systems from an ergonomic perspective is also a central topic. The book is rounded off by methods of ergonomic vehicle development, the use of mock-ups, driving simulators and tests in real vehicles and prototypes. For the first time, those responsible in the automotive industry and in the field of relevant research are provided with a specialized systematic work that provides the ergonomic findings in the design of today's automobiles. This provides planners and designers of today's automobiles with concrete information for ergonomic product development, enabling them to keep an eye on decisive requirements and subsequent customer acceptance. This book is a translation of the original German 1st edition *Automobilergonomie* by Heiner Bubb, Klaus Bengler, Rainer E. Grünen & Mark Vollrath, published by Springer Fachmedien Wiesbaden GmbH, part of Springer Nature in 2015. The translation was done with the help of artificial intelligence (machine translation by the service DeepL.com). A subsequent human revision was done primarily in terms of content, so that the book will read stylistically differently from a conventional translation. Springer Nature works continuously to further the development of tools for the production of books and on the related technologies to support the authors.

*Satisfaction* Jan 26 2021 Kim Cattrall, best known for her depiction of Sex and the City's Samantha, slides between the sheets with readers to share her secrets on reaching the heights of pleasure. In this illustrated guidebook for women looking to improve their sex, Kim Cattrall teams up with her husband to share tips and tricks. This how-to-sex book is based on viewer feedback from the show and designed to help couples focus on achieving the female orgasm.

**The Black Canyon of the Gunnison** Dec 25 2020 The Black Canyon of the Gunnison River is one of the deepest, narrowest, and most inaccessible canyons in the United States. Very few explorers have ever traversed the 53-mile gorge in Gunnison and Montrose Counties. The canyon, one of the nation's wonders, has been the precipitous stage for an exciting history featuring Ute Indians, a narrow-gauge railroad, sensational explorations, and the construction of the Gunnison Tunnel--the first major Bureau of Reclamation project in history. The Black Canyon became a national monument in 1932 and a national park in 1999. Today it remains a crown jewel of Colorado's Western Slope.

**Prescott and the Prescott National Forest** Feb 13 2020 Newt Lynn was born in 1975 and raised on a small family farm in northwestern Louisiana. Place and community were always an emphasized part of his life, but it was not until Newt moved to Prescott, Arizona, that he began to fully realize the importance of becoming a part of the landscape and developing a true sense of place. Newt's book grew out of a desire to better understand his new home, and provided him with a better foundation for making decisions regarding this home. Along the way he recorded an amazing story of a community rich in myths and truths, and the forest that made it all possible.

*Lowside of the Road* Sep 02 2021 With his trademark growl, carnival-madman persona, haunting music, and unforgettable lyrics, Tom Waits is one of the most revered and critically acclaimed singer-songwriters alive today. After beginning his career on the margins of the 1970s Los Angeles rock scene, Waits has spent the last thirty years carving out a place for himself among such greats as Bob Dylan and Neil Young. Like them, he is a chameleonic survivor who has achieved long-term success while retaining cult credibility and outsider mystique. But although his songs can seem deeply personal and somewhat autobiographical, fans still know very little about the man himself. Notoriously private, Waits has consistently and deliberately blurred the line between fact and fiction, public and private personas, until it has become impossible to delineate between truth and self-fabricated legend. *Lowside of the Road* is the first serious biography to cut through the myths and make sense of the life and career of this beloved icon. Barney Hoskyns has gained unprecedented access to Waits's inner circle and also draws on interviews he has done with Waits over the years. Spanning his extraordinary forty-year career from *Closing Time* to *Orphans*, from his perilous "jazzbo" years in 1970s LA to such shape-shifting albums as *Swordfishtrombones* and *Rain Dogs* to the Grammy Award winners of recent years, this definitive biography charts Waits's life and art step by step, album by album. Barney Hoskyns has written a rock biography—much like the subject himself—unlike any other. It is a unique take on one of rock's great enigmas.

**Hydromania** May 18 2020 Coeur d'Alene's love/hate relationship with boat racing is at the center of this comprehensive history of the Diamond Cup

race for unlimited hydroplanes. The early origins of competitive boat racing on Coeur d'Alene Lake, the backstory of the how the small lakeside community came to host ten years of the Diamond Cup, the true story of the civil disturbances that would cast a lasting pawl on the event, the real reasons behind the decision to stop hosting the races, and the drama and controversy that led to the races being banned from the city are all covered in depth. The stories of the civic leaders, race volunteers, boat owners, drivers, and other key individuals that came together to put on the exciting spectacle that was the Diamond Cup are lovingly recounted. Of interest to boat racing fans and those curious about one of the premier sporting events in the history of North Idaho. Illustrated with over 100 photographs.

**Lexus** Jan 18 2023 A behind-the-scenes look at Lexus's surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.
