*You met Lia and Zeke in Billionaire Unloved, Jett and Ruby's book. Now you can find out what happened to them. Did Lia really end up marrying the wrong guy? Although this story is part of The Billionaire's Obsession series, it can be easily be enjoyed as a standalone friends to lovers billionaire romance. Lia: I thought I had my life all worked out. My wedding had been meticulously planned. All I had to do was walk down the aisle and get married to the man I'd been engaged to for over a year. Pretty easy and uncomplicated, right? Unfortunately, all of my well laid plans go up in smoke when my fiancé leaves me at the church alone because he found a woman who was better suited for his snobby world of wealth and privilege. After realizing what kind of man my intended groom really was, it was hard not to be more relieved that I'd dodged a bullet than I was heartbroken. Problem is, I still need to get married. All of my hopes and dreams are dependent on me tying the knot by my twenty-eighth birthday, and that date is closing in fast. Way too quickly for me to fall in love all over again. As usual, my best friend Zeke Conner is there to pick up the pieces after I'm left at the altar by a jerk. He helps me work through the demoralizing event so I can put it behind me and move on. I'm stunned when he offers to marry me himself, but it's a bargain I can't really refuse. As my relationship starts to change with my best friend, I find myself caught in a web of sensual desire and unending passion that's as terrifying as it is satisfying. Probably because it seems all too real. Our*

arrangement was supposed to be temporary. A deal between friends that Zeke swore would benefit both of us, but as our marriage starts to feel like so much more than just a charade for me, what will happen when it all ends? This book was originally published under the title "Temporary Groom" as a part of the now-discontinued Left at The Altar Series. It's been completely re-written with added chapters and material, and retitled Billionaire Unwed as part of The Billionaire's Obsession series. Take the journey with Mark and his family as the youngest Anderson finds his bride. I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crème de la crème of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until it... wasn't. I guess I never realized that brief periods of perfection could instantly be followed by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxton Montgomery, my billionaire boss, and the king of one-nighters. Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood what I was going through, even when I didn't understand it myself. Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us. What happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything? Jax had helped me claw my way back into my life, but was I brave enough to risk everything all over again to keep the one man I'd always wanted but could never have? *Bear Valley: Where rugged men find more than a safe haven -- they find their mates. The gorgeous newcomer in town, Harley MacBeth, is everything I'm not. Charming, outgoing, and stubborn. So damn stubborn. Well, I guess we have that in common. I'm in bear form when I see the infuriatingly sexy woman painting by the river. In a flash, she becomes a damsel in distress. Good thing this mountain man is here to save her. I pull her from the river, kiss her sweet, pink lips, and damn — I'm a goner. After a night together, I know she's my mate — my everything. But we're opposites, and unless we're in bed, we're at odds. Her past is coming for her. And even though she may be the only woman for me, she still has a choice to walk away. Can I convince her that she belongs to me, before it's too late? After four years of working for "the billionaire boss from hell" Ally Caldwell thinks she finally has her life on the right track. Her fiance is out of dental school, ready to go to work at a thriving practice, and it would finally be her turn to go back and finish her college degree. Unfortunately, her carefully planned future crumbles when she finds out that her fiance, the man she'd nearly killed herself to help get through school, has been cheating on her. With her wedding looming in the near future, Ally's blindsided, realizing she'd never even knew the man she'd been planning to marry. Suddenly, her carefully organized life is turned upside down, and not one single thing is turning out the way it was supposed to happen. Even her boss, Travis the Tyrant, is beginning to act differently, throwing Ally into an even more confused and chaotic state of mind. Travis, the one man who she'd always counted on to be a jerk, was now the guy who actually steps up to try and help her straighten her life out again. Unfortunately, she doesn't much care for his highhanded arrogance or his methods of "helping." Ally wants to hate Travis. It makes her life so much simpler to fight with him than to admit to the combustible chemistry growing between the two of them. But as she begins to see more and more of the real Travis beneath his dark facade, she can't seem to resist the dangerous lure of their unlikely attraction. Billionaire Travis Harrison does everything he possibly can to repair the Harrison name after a scandal nearly destroyed his family years ago. He makes sure he keeps himself and his actions in check, his emotions buried under a thick layer of ice. Only his secretary and assistant, Alison Caldwell, makes him come close to losing his carefully constructed image. The obstinate female keeps shoving him closer and closer to the edge of sanity every single day. But when he finds out about her fiance's betrayal, his protective instincts roar to life inside him, making him want to ensure she's never hurt again.*

The only problem is...Ally doesn't want his help, and the infuriating woman does everything she can to push him away, even as the two of them are swept into an undeniable passion that neither of them can possibly ignore. Before long, Travis finds himself in ruthless pursuit of something much more important and elusive than just a business deal. Can these two very different, very stubborn people actually be meant to be together? Find out if Travis and Ally can let down their defenses and surrender to a love so powerful it will rock them to the depths of their souls in *Billionaire Undone*, Book Five of *The Billionaire's Obsession* series. 18+ only

Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?
