The Weight of a Piano Sep 21 2020 1962, the Soviet Union. Eight-year-old Katya is bequeathed a Blüthner piano, built at the turn of the century in Germany, on which she discovers everything that she herself can do with music and what music, in turn, does for her. Years later, married, she emigrates from Russia to America; her piano is lost in the shuffle. 2012, Bakersfield, California. Auto mechanic Clara Lundy's search for an apartment is complicated by the gift her parents gave her shortly before they died in a fire: a Blüthner upright she has never learned to play. When her hand gets broken while the piano's being moved, she decides to sell it. -- adapted from jacket

Managing the Risks of Extreme Events and Disasters to Advance Climate Change Adaptation Nov 23 2020 This Intergovernmental Panel on Climate Change Special Report (IPCC-SREX) explores the challenge of understanding and managing the risks of climate extremes to advance climate change adaptation. Extreme weather and climate events, interacting with exposed and vulnerable human and natural systems, can lead to disasters. Changes in the frequency and severity of the physical events affect disaster risk, but so do the spatially diverse and temporally dynamic patterns of exposure and vulnerability. Some types of extreme weather and climate events have increased in frequency or magnitude, but populations and assets at risk have also increased, with consequences for disaster risk. Opportunities for managing risks of weather- and climate-related disasters exist or can be developed at any scale, local to international. Prepared following strict IPCC procedures, SREX is an invaluable assessment for anyone interested in climate extremes, environmental disasters and adaptation to climate change, including policymakers, the private sector and academic researchers.

Mini Mar 16 2020 Mini celebrates 60 amazing years of this iconic car, from its revolutionary introduction to the popularity of its new-generation models. The first two-door Mini, introduced in 1959 and built until 2000, revolutionized automotive design with its innovative front-wheel-drive layout that made the car appear bigger on the inside than the outside. In 1999, the Mini was voted the second most influential car of the 20th century, behind the Ford Model T. Designed for British Motor Corporation (BMC) by Sir Alec Issigonis and manufactured in England, Australia, Spain, Belgium, Chile, Italy, Portugal, South Africa, Uruguay, Venezuela, and Yugoslavia, the Mini was as successful in competition as it was on the street, winning the Monte Carlo Rally four times from 1964 through 1967. Originally built by BMC, the Mini's later parent company, Rover, was acquired by BMW in 1994. In 2000, BMW sold most of the Rover Group but retained the Mini brand. The last and 5,387,862nd original Mini rolled off the production line in October 2000. In July 2001, BMW launched production of the new-generation of Mini which was soon joined by Countryman, Clubman, convertible, Cooper Works, and numerous special editions. Nearly 20 years later, the new Minis remain as popular as the original from 1959.

Just the Essentials Nov 11 2019 The author of Skin Cleanse returns with a comprehensive guide to the ultimate ingredient for living an all-natural, plant-based lifestyle: essential oils. In Just the Essentials, Adina Grigore, owner and founder of the wildly popular all-natural skincare line SW Basics, presents a 21st-century guide to these

ancient oils. A former essential oils skeptic, Grigore offers a fresh, fun, and authoritative overview of what they are and how they can be easily incorporated into anyone's life. From plant-based medicine to all-natural skincare to safer and cleaner household products to aromatherapy, this handy and entertaining guide provides detailed advice for a wide array of oils, safety guidelines, and a range of do-it-yourself recipes to get started. Inside you'll discover such fun facts as: Tea tree oil is a powerful antibacterial that is proven to be as effective for treating acne as benzoyl peroxide; it also kills oral bacteria and is a life-saver for tooth infections. Cinnamon oil is a circulation-booster that helps to ease everyday aches and pains as well as headaches (even migraines). Peppermint oil is brimming with antimicrobial properties; peppermint oil can be used for everything from alleviating digestive problems to cleaning your kitchen counters. With lists of the best oils for beginners; instructions for diffusing and safe handling; and DIY recipes from dish soap to toothpaste to facial masks, Just the Essentials makes it easy and enjoyable to reap the many benefits of these pure plant extracts.

The Keep Feb 24 2021 NATIONAL BESTSELLER • "Part horror tale, part mystery, part romance ... utterly fantastic."—O, The Oprah Magazine • The bestselling, award-winning author of A Visit from the Goon Squad brilliantly conjures a world from which escape is impossible and where the keep—the tower, the last stand—is both everything worth protecting and the very thing that must be

surrendered in order to survive. Two cousins, irreversibly damaged by a childhood prank, reunite twenty years later to renovate a medieval castle in Eastern Europe. In an environment of extreme paranoia, cut off from the outside world, the men reenact the signal event of their youth, with even more catastrophic results. And as the full horror of their predicament unfolds, a prisoner, in jail for an unnamed crime, recounts an unforgettable story that seamlessly brings the crimes of the past and present into piercing relation.

The Brain-Dead Megaphone Nov 04 2021 In this, his first collection of essays, Saunders trains his eye on the real world rather than the fictional and reveals it to be brimming with wonderful, marvellous strangeness. As he faces a political and cultural reality saturated with lazy media, false promises and political doublespeak, Saunders invokes the wisdom of American literary heroes Twain, Vonnegut and Barthelme and inspires us to re-examine our assumptions about the world we live in, as we struggle to discover what is really there.

A Visit from the Goon Squad Mar 28 2021 NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCLE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly

reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, rippingly funny.... Egan possesses a satirist's eye and a romance novelist's heart." –The New York Times Book Review

Atomic Habits Jun 30 2021 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Where You Once Belonged Sep 02 2021 In Where You Once Belonged,

the bestselling and award-winning novelist of Eventide, Kent Haruf tells of a small-town hero who is dealt an enviable hand--and cheats with all of the cards. Deftly plotted, defiantly honest, Where You Once Belonged sings the song of a wounded prairie community in a narrative with the earmarks of a modern American classic. In prose as lean and supple as a spring switch, Haruf describes a high school football star who wins the heart of the loveliest girl in the county and the admiration of men twice his age. Fun-loving, independent, Burdette engages in the occasional prank. But when he turns into a man, his high jinks turn into crimes--with unspeakable consequences. Now, eight years later, Burdette has returned to commit his greatest trespass of all. And the people of Holt may not be able to stop him.

Stone Fox May 18 2020 John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race--the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

Losing Earth Jun 18 2020 By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed. Nathaniel Rich's

groundbreaking account of that failure - and how tantalizingly close we came to signing binding treaties that would have saved us all before the fossil fuels industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue of the New York Times Magazine that has earned favorable comparisons to Rachel Carson's Silent Spring and John Hersey's Hiroshima. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. It is the story, perhaps, that can shift the conversation. In the book Losing Earth, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed and eloquent assessment of how we got to now, and what we can and must do before it's truly too late.

The Agile Self-assessment Game Jul 12 2022 The Agile Self-Assessment Game is used by teams and organizations to self-assess their agility. Playing the game enables teams to reflect on their own team interworking, discover how agile they are and decide what they can do to increase their agility to deliver more value to their customers and stakeholders. This is the first book specifically about Agile Self-assessments. In this book, Ben Linders explains what self-assessments are and why you would do them, and explores how to do them using the Agile Self-assessment Game. He's also sharing experience stories from people who played the game. This book is based on his experience as a developer, tester, team leader, project manager, quality manager, process manager, consultant, coach, trainer, and adviser in Agile, Lean, Quality and Continuous Improvement. It takes a deep dive into self-assessments, viewing them from different perspectives and provides ideas, suggestions, practices, and experiences that will help you to do effective agile self-assessments with your teams. The book is aimed at Scrum masters, agile coaches, consultants leading agile transformations, developers and testers, project managers, line managers, and CxOs; basically for anyone who is looking for an effective way to help their agile teams

improve and to increase the agility of their organization. With plenty of ideas, suggestions, and practical cases on Agile Self-assessments, this book will help you to apply assessments and help teams to improve. Note: The agile coaching cards needed to play the games described in the book can be downloaded for a nominal fee at benlinders.com/downloads.

***A Confederacy of Dunces* Jan 06 2022 Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review *A Confederacy of Dunces* is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).**

***Historical Painting Techniques, Materials, and Studio Practice* May 30 2021 Bridging the fields of conservation, art history, and museum**

curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.
