In the mold of Colorado's best-selling book of all time, Colorado 1870-2000, Fielder has chosen to represent his state exclusively in black and white. He edited 230 color images from his life's work in Colorado over the past 40 years, and rendered each in blacks, whites, and subtle tones of gray. Without the distraction of color, the viewer engages the shapes, textures, lines, and edges of this most scenic of states as never before. Divided into eight chapters, Fielder spares no subject endemic to his adopted state. From dramatic mountain reflections and wildlife galore, to 19th century mine building facades and ancestral Puebloan ruins, nothing has been left out. Except the color! Fielder has written captions for each of the 230 images in the book. This has been the top-selling guidebook in Colorado since it was first published in 1998. It covers the most popular backroad areas in Colorado including Ouray, Silverton, Lake City, Crested Butte, Aspen, Marble, Buena Vista, Monarch, Vail, Leadville, Fairplay, Breckenridge, Dillon, Idaho Springs, the Pikes Peak Region and the Sangre De Cristo Mountains. Welcome to the epicenter of backcountry skiing and snowboarding on Colorado's Front Range. Since the 1930s skiers have been exploring the slopes surrounding US Highway 40 as it climbs and descends Berthoud Pass. Quick access, a consistent snowpack, and endless discovery continue to draw skiers to Berthoud Pass. The east to west orientation of the Pass, located high above the Fraser River and Clear Creek valleys, attracts a deep snowpack benefiting from both northwest flow and upslope storms. In just over an hour drive from Denver, backcountry skiers have access to numerous trailheads leading into the high basins surrounding the Pass. From pre-work dawn patrols, to car shuttling, to all day epics, Berthoud Pass has an adventure for backcountry riders of all skill levels. The glade skiing, deep powder bowls, and steep couloirs of Berthoud Pass have enough terrain to keep you busy for a lifetime. This guidebook is here to assist you with your Berthoud Pass adventure, and it contains insights into over 100 routes. It is easy to use, small enough to carry, and durable enough to withstand food and beer stains from post riding barbeques at the Pass.
