An award-winning foreign correspondent relates how her longtime friend, a madrasa-trained sheikh, and she confronted stereotypes and misperceptions in their communities by drawing on the Quran's messages of peace and respect. Original. Two worlds, two stories, two books in one, to be flipped and read from whichever direction you like! The uplifting, unlikely, and inspirational true story of the friendships formed between Cam Perron—a white, baseball-obsessed teenager from Boston—and hundreds of former professional Negro League players, who were still awaiting the recognition and compensation that they deserved from Major League Baseball more than fifty years after their playing days were over. Featuring the players' fascinating stories and original photographs. Cam Perron always loved history, and from an early age, he had a knack for collecting. But when he was twelve and bought a set of Topps baseball cards featuring several players from the Negro Leagues, something clicked. Cam started writing letters to former Negro League players in 2007, asking for their autographs and a few words about their careers. He got back much more than he expected. The players responded with detailed stories about their glory days on the field, and the racism they faced, including run-ins with the KKK. They explained how they were repeatedly kept out of the major leagues and confined to the historic but lower-paying Negro Leagues, even after Jackie Robinson—who got his start in the Negro Leagues—broke the color barrier. By the time Cam finished middle school, letters had turned into phone calls, and he was spending hours a day talking with the players. In these conversations, many of the players revealed that their careers had been unrecognized over time, and they'd fallen out of touch with their former teammates. So Cam, along with a small group of fellow researchers, organized the first annual Negro League Players Reunion in Birmingham, Alabama in 2010. At the celebratory, week-long event, fifteen-year-old Cam and the players—who were in their 70s, 80s, and

90s—finally met in person. They quickly became family. As Cam and the players returned to the reunion year after year, Cam became deeply involved in a complicated mission to help many players get pension money that they were owed from Major League Baseball. He also worked to get a Negro League museum opened in Birmingham, and stock it with memorabilia. Sports fans—and anyone who enjoys a heartfelt story—will have their eyes opened by this book about unlikely friendships, the power of memories, and just how far a childhood interest can go. A striking graphic novel about friendship and the need for acceptance. Are you ready to head to New Orleans? Fall in love with the sexy series readers call "deliciously addictive" and "bingeworthy" from New York Times, Wall Street Journal, and USA Today bestselling author Meghan March. I've always known she was too good for me, but that never stopped me from wanting her. And then I finally had her for one night. A night I don't remember. I figured I'd blown my shot. But now she's walked back into my life, and this time, I have the upper hand. I want my second chance. Will she be able to see the man beneath this ink? Beneath This Ink is the second book in the Beneath series, but each of these hot contemporary romances can be enjoyed as a stand alone. Then again, why would you want to miss out on all the alpha heroes and the women who bring them to their knees? After all, there's something for everyone in New Orleans... The entire Beneath series is now live and each book in the Beneath series can be read as a standalone. Beneath This Mask, Beneath #1 (Now FREE) Beneath This Ink, Beneath #2 Beneath These Chains, Beneath #3 Beneath These Scars, Beneath #4 Beneath These Lies, Beneath #5 Beneath These Shadows, Beneath #6 Beneath The Truth, Beneath #7 "YES. This had the WOW-ING, EXTRAMILE, MIND-BEING-BLOWN, and the whole SHA-BANG. I can honestly say it had me captivated with every page." - Sleepless, Readmore "I loved this book and it was an amazing installment in this series. This book was sweet, sexy angsty, full of twists and turns, suspenseful, and had one tatted bad boy who will make you swoon... HARD!" --Brianna @ Renee Entress's Blog "Absolutely LOVED it! Con and Vanessa sizzle!" --Kendall Ryan, NYT and USA Today bestselling author Topics: Alpha romance, tattooed alpha, tattooed alpha male, tattoo shop, tattoo shop owner, tattooed hero, New Orleans, New Orleans romance, romance in New Orleans, French Quarter, rich heroine, strong heroine, second chance romance, second chance, contemporary romance, new adult, romance, military, Navy, billionaire, conspiracy, conspiracy romance, suspense, romantic suspense. Return to the world of inklings, tattoo magic, and evil deities as Celia uncovers the secrets of the ink in order to stop Diavala once and for all. This eagerly anticipated sequel to Ink in the Blood is perfect for fans of Leigh Bardugo and Wicked Saints. Celia Sand faced

Diavala and won, using ink magic to destroy the corrupt religion of Profeta that tormented her for a decade. But winning came with a cost. Now Celia is plagued with guilt over her role in the death of her best friend. When she discovers that Diavala is still very much alive and threatening Griffin, the now-infamous plague doctor, Celia is desperate not to lose another person she loves to the deity's wrath. The key to destroying Diavala may lie with Halcyon Ronnea, the only other person to have faced Diavala and survived. But Halcyon is dangerous and has secrets of his own, ones that involve the ink that Celia has come to hate. Forced to choose between the ink and Diavala, Celia will do whatever it takes to save Griffin—even if it means making a deal with the devil himself. The definitive career retrospective of this revered and provocative UK artist. Explores Steadman's signature ink-splattered style, features a diverse body of work that includes satirical political illustrations and includes art from award-winning children's books such as Alice in Wonderland In the bestselling tradition of the The Eighty-Dollar Champion, the propulsive, inspiring Cinderella story of Stymie, an unwanted Thoroughbred, and Hirsch Jacobs, the once dirt-poor trainer who bought the colt on the cheap and molded him into the most popular horse of his time and the richest racehorse the world had ever seen. In the wake of World War II, as turmoil and chaos were giving way to a spirit of optimism, Americans were looking for inspiration and role models showing that it was possible to start from the bottom and work your way up to the top—and they found it in Stymie, the failed racehorse plucked from the discard heap by trainer Hirsch Jacobs. Like Stymie, Jacobs was a commoner in "The Sport of Kings," a dirt-poor Brooklyn city slicker who forged an unlikely career as racing's winningest trainer by buying cheap, unsound nags and magically transforming them into winners. The \$1,500 pittance Jacobs paid to claim Stymie became history's biggest bargain as the ultimate iron horse went on to run a whopping 131 races and win 25 stakes, becoming the first Thoroughbred ever to earn more than \$900,000. The Cinderella champion nicknamed "The People's Horse" captivated the masses with his rousing charge-from-behind stretch runs, his gritty blue-collar work ethic, and his rags-to-riches success story. In a golden age when horse racing rivaled baseball and boxing as America's most popular pastime, he was every bit as inspiring a sports hero as Joe DiMaggio and Joe Louis. Taking readers on a crowd-pleasing ride with Stymie and Jacobs, Out of the Clouds -- the winner of the Dr. Tony Ryan Book Award -- unwinds a real-life Horatio Alger tale of a dauntless team and its working-class fans who lived vicariously through the stouthearted little colt they embraced as their own. From Bob Beckel, the popular co-host of "The Five" on Fox News Channel, a deeply moving, redemptive memoir about his life as a political

operative and diplomat, his long struggle with alcohol and drugs, and his unlikely journey to finding faith. Growing up poor in an abusive home, Bob Beckel learned to be a survivor: to avoid conflict, mask his feelings, and to lie--all skills that served him well in Washington, where he would become the youngest-ever Deputy Assistant Secretary of State and manage Walter Mondale's 1984 presidential campaign. But Beckel was living a double life. On January 20, 2001--George W. Bush's first Inauguration Day--he hit rock bottom, waking up in the psych ward. Written with captivating honesty, Beckel chronicles how his addictions nearly killed him until he found help in an unexpected ally, conservative Cal Thomas, who helped him find faith, get sober, and get his life back on track. Melon Fouraki's mom was killed by a London bus and now she is living with Paul a social worker who knew Melon's mom. Filled with moments of deep emotion and unexpected humor, this understated and wise novel explores the complexities of living with OCD and offers the prospect of hope, happiness and healing. Perfect for readers who love *Eleanor & Park* and *All the Bright Places*. ADAM'S GOALS: Grow immediately. Find courage. Keep courage. Get normal. Marry Robyn Plummer. The instant Adam Spencer Ross meets Robyn Plummer in his Young Adult OCD Support Group, he is hopelessly, desperately drawn to her. Robyn has an hypnotic voice, blue eyes the shade of an angry sky, and ravishing beauty that makes Adam's insides ache. She's also just been released from a residential psychiatric program--the kind for the worst, most difficult-to-cure cases; the kind that Adam and his fellow support group members will do anything to avoid joining. Adam immediately knows that he has to save Robyn, must save Robyn, or die trying. But is it really Robyn who needs rescuing? And is it possible to have a normal relationship when your life is anything but? Select praise for *The Unlikely Hero of Room 13B*: ". . . achingly authentic. Like Augustus Waters before him, Adam Spencer Ross will renew your faith in real-life superheroes and shatter your heart in equal measures." --Kirkus Reviews, Starred "This book made me laugh, cry, think, and kept me coming back for more." --The Guardian "Adam is a protagonist that readers will root for." --VOYA "Honest, fresh, and funny . . . Toten employs information about OCD like grace notes in this deft and compelling narrative." --Booklist "Adam is a fresh and complex character, and far more than the sum of his symptoms." --Publishers Weekly Lyrically told true story of the teacher who coached Hawaiian swimmers to Olympic glory. When the children of workers on a 1930s Maui sugar plantation were chased away from playing in the nearby irrigation ditches, local science teacher Soichi Sakamoto had an idea. He would take responsibility for the children and train them to swim. Using his science background, Sakamoto developed a strict practice regime for the kids, honing their skills and building their strength and endurance. They formed a team and began to dominate events, first nationally and then internationally -- until they made it all the way to Olympic gold! Told in simple rhyme, Sakamoto's story will inspire athletes, coaches -- and everyone who believes impossible dreams can come true. Terence Teasdale's new book enters interesting and heretical territory in the minds of many,

especially women. Dr Teasdale's book explores the tyranny of the female gender in a way that one hundred or so other books deride the opposite gender. It is a most timely book (long overdue). The ladies should be able to handle it, as indeed we are all equal! Dr Teasdale's book is confronting and controversial. A lot of women will hate it! Jeffrey James This book is not a feel good book. This book will not enrapture most women. Certainly, not those I call controlled women. But, there again, it is not meant to imparadise women, even though its entire contents are devoted to them. The book is about women who are psychologically disturbed. And this means most women. It is about women who are controlled for their entire lives by negative emotions: emotions that are so potent that they convert into disabling mental disorders, gobbling-up self-esteem, and by bizarre and inappropriate behaviour, impairing and even destroying relationships. For sure, this book is about the severe damage controlled women inflict on themselves and others, especially their vulnerable children. Neurosis and depression in women and our late adolescents are increasing at an alarming rate. Controlled women are a demoralised gender. New York Times bestselling author Kevin Hearne returns to the world of his beloved Iron Druid Chronicles in a spin-off series about an eccentric master of rare magic solving an uncanny mystery in Scotland. "A terrific kick-off of a new, action-packed, enchantingly fun series."--Booklist Al MacBharrais is both blessed and cursed. He is blessed with an extraordinary white moustache, an appreciation for craft cocktails--and a most unique magical talent. He can cast spells with magically enchanted ink and he uses his gifts to protect our world from rogue minions of various pantheons, especially the Fae. But he is also cursed. Anyone who hears his voice will begin to feel an inexplicable hatred for Al, so he can only communicate through the written word or speech apps. And his apprentices keep dying in peculiar freak accidents. As his personal life crumbles around him, he devotes his life to his work, all the while trying to crack the secret of his curse. But when his latest apprentice, Gordie, turns up dead in his Glasgow flat, Al discovers evidence that Gordie was living a secret life of crime. Now Al is forced to play detective--while avoiding actual detectives who are wondering why death seems to always follow Al. Investigating his apprentice's death will take him through Scotland's magical underworld, and he'll need the help of a mischievous hobgoblin if he's to survive. A USA Today Bestseller An Amazon Best Book of the Year Set in London of the 1660s and of the early twenty-first century, *The Weight of Ink* is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is permitted to scribe for a blind rabbi, just before the plague hits the city; and Helen Watt, an ailing historian with a love of Jewish history. When Helen is summoned by a former student to view a cache of newly discovered seventeenth-century Jewish documents, she enlists the help of Aaron Levy, an American graduate student as impatient as he is charming, and embarks on one last project: to determine the identity of the documents' scribe, the elusive "Aleph". Electrifying and ambitious, *The Weight of Ink* is about women separated by centuries--and the choices and sacrifices they must make

in order to reconcile the life of the heart and mind. Rachel Kadish is the award-winning author of the novels *From a Sealed Room*, *Tolstoy Lied: A Love Story* and *The Weight of Ink*, as well as the novella *I Was Here*. Her work has appeared on NPR and in the *New York Times*, *Ploughshares*, and *Tin House*, and has been anthologised in the *Pushcart Prize Anthology* and elsewhere. She lives outside Boston and teaches in Lesley University's MFA Program in Creative Writing. www.rachelkadish.com "A gifted writer, astonishingly adept at nuance, narration, and the politics of passion." Toni Morrison 'A sophisticated twining of literature and early modern history, *The Weight of Ink* expertly layers research and imagination, blending historical romance with intellectually satisfying metafiction.' *Sydney Morning Herald* "This astonishing third novel from Kadish introduces readers to the 17th-century Anglo-Jewish world with not only excellent scholarship, but also fine storytelling. The riveting narrative and well-honed characters will earn a place in readers' hearts." *Library Journal*, starred review "Like A.S. Byatt's *Possession* and Tom Stoppard's *Arcadia*, this emotionally rewarding novel follows [...] present-day academics trying to make sense of a mystery from the past... Vivid and memorable." *Publisher's Weekly* "An unforgettable quest... Kadish's characters are memorable, and we're treated to a host of them...From Shakespeare's *Dark Lady* to Spinoza's philosophical heresies, Kadish leaves no stone unturned in this moving historical epic. Chock-full of rich detail and literary intrigue." *Kirkus Reviews* "Kadish positions two women born centuries apart yet united by a thirst for knowledge at the core of a richly textured, addictive novel...Kadish has fashioned a suspenseful literary tale that serves as a compelling tribute to women across the centuries committed to living, breathing, and celebrating the life of the mind." *Booklist* 'So powerful and visceral...Incredible...I haven't been able to read a book since.' *Rose McGowan, New York Times Book Review Podcast* 'So many historical novels play with the "across worlds and centuries" trope, but this one really delivers, tying characters and manuscripts together with deep assurance. A book to get lost in.' *LitHub* 'The *Weight of Ink* hooked me so deeply...Kadish, with storytelling genius, mirrors events and eureka moments across the centuries, binding the characters to one another. And an enormously satisfying ending wraps everything up while leaving enough rough edges to mimic the loose ends of real life.' *Amazon Book Review* The first book of poetry by Kayla Rodney focuses on her experiences with New Orleans, tragedy, and hurricanes, especially Katrina. THE FIRST FEMALE MUSLIM AMERICAN TO MEDAL AT THE OLYMPIC GAMES NAMED ONE OF TIME'S 100 MOST INFLUENTIAL PEOPLE Growing up in New Jersey as the only African American Muslim at school, Ibtihaj Muhammad always had to find her own way. When she discovered fencing, a sport traditionally reserved for the wealthy, she had to defy expectations and make a place for herself in a sport she grew to love. From winning state championships to three-time All-America selections at Duke University, Ibtihaj was poised for success, but the fencing community wasn't ready to welcome her with open arms just yet. As the only woman of color and the only religious minority on Team USA's saber fencing squad, Ibtihaj

had to chart her own path to success and Olympic glory. Proud is a moving coming-of-age story from one of the nation's most influential athletes and illustrates how she rose above it all. Growing up on an isolated island in the middle of Lake Erie, Aaron Sheftall learned to skate as a young child when extreme weather would cut his off his small community -- and its legends about a lost colony of seals -- from the rest of the world. Now an elite figure skater, Aaron dreams of getting to the Olympics. Yet competition is fierce and in a sport filled with injuries and drama, careers are short. But when a fluke accident changes the stakes for the entire U.S. team, Aaron sees his chance. Zack Kelly used to be a war reporter. But a successful book about his time covering global conflicts, an unsuccessful marriage, and a dose of PTSD have sidelined him from the journalism game. When an old friend calls up him with a long-form assignment about competitive figure skating, Zack has no idea what he's getting into. He also doesn't care -- it's a change of scenery and a paycheck. Thrown together under circumstances neither of them are initially enthused about, Aaron and Zack ultimately embark on an unlikely -- and ill-advised -- romance about trust, myth, and what it really means to be comfortable in your own skin. Ink and Ice is part of the same series as After the Gold. The books can be read in any order. Katie and Brendan's story continues here as a key part of Aaron's coaching team. Sisters, Inkmarks the first in a series of novels written by, for, and about scrapbookers. At the center of the creativity and humor are four unlikely young adult sisters, each separately adopted during early childhood into the loving home of Marilyn and Jack Sinclair. Ten years after their mother Marilyn has died, the multi-racial Sinclair sisters (Meg, Kendra, Tandy, and Joy) still return to her converted attic scrapping studio in the small town of Stars Hill, Tennessee, to encourage each other through life's highs and lows. Book one spotlights headstrong Tandy, a successful yet haunted attorney now living back in Orlando where she spent the first eight years of her life on the streets as a junkie's kid. When a suddenly enforced leave of absence at work leads her to an extended visit with her sisters in Stars Hill, a business opportunity, rekindled romance, and fresh understanding of God's will soon follow. Endorsements: "What more can any woman want? Sisters, Ink weaves the love of sisters, the fun of scrapbooking, and a romance as sugary and tingling as Sweet Home Alabama. A must read for those who love southern fiction."--DiAnn Mills, author of Leather and Lace and When the Nile Runs Red "Fun . . . funny . . . fantastic! Rebeca Seitz has brought together scrapbooking and sisterhood in a lively romp, with a love for going home again."--Eva Marie Everson, coauthor of The Potluck Club series Part thriller, part love story, this contemporary YA novel is based on true-to-life events in Mali in 2012 and centers around the power of individuals to take a stand against terrorism. Kadi is the 15-year-old daughter of a librarian in modern-day Timbuktu. Ali is the son of shepherds and has been conscripted by the Defenders of Faith, an arm of Al Qaeda. When these two teens meet, it's hate at first sight. Forced together by a series of tumultuous events, their feelings slowly but persistently turn into something more, causing Kadi to let her guard down and Ali to discover her family's secret hiding place for

the manuscripts her family is tasked with safeguarding. Kadi undertakes a dangerous operation to smuggle the manuscripts out of the city, while Ali and his military commander are soon in pursuit. Ali's loyalties will never be more in question than when Kadi's life is in danger. Including the complete collaborative poems of Sheila E. Murphy and the late Michelle Greenblatt; three free-verse poems and 59 American ghazals. With a Foreword by Vincent A. Cellucci. The ultimate book-lover's fantasy, this sparkling debut is a "delight of magic and literature, love and adventure" (Kat Howard) featuring a young scholar with the power to bring literary characters into the world. For his entire life, Charley Sutherland has concealed a magical ability he can't quite control: He can bring characters from books into the real world. But when literary characters start causing trouble throughout the city and threatening to destroy the world, he learns he's not the only one with his ability. Now it's up to Charley and his reluctant older brother, Rob, to stop them--hopefully before they reach The End. Praise for The Unlikely Escape of Uriah Heep: "A star-studded literary tour and a tangled mystery and a reflection on reading itself; it's a pure delight." --Alix E. Harrow, Hugo Award-winning author "This beautifully-written novel is an exploration of the power fiction wields -- the power to inform and to change, even to endanger, our everyday world." --Louisa Morgan, author of A Secret History of Witches "Equal parts sibling rivalry, crackling mystery, and Dickensian battle royale, it'll be one of your most fun reads this year." --Mike Chen, author of Here and Now and Then The Montgomery Ink saga from NYT Bestselling Author Carrie Ann Ryan continues with a friends to lovers romance that breaks all of their own rules. Instead of walking away with a marriage proposal, Paige Montgomery ended up broken hearted and pregnant. Now she has to figure out how to begin her life again alone. She refuses to fall for another man, yet every time she sees Lee Grier, her traitorous heart aches for him. It doesn't matter he's her brother's best friend and wants to be her rock in the storm. She knows she has to weather the oncoming pressures on her own. When they can no longer fight the pull between them, they'll have to remember that passion can only shelter them from reality for so long and letting themselves fall will be the hardest step yet. ~~~~~ Read what others are saying about New York Times bestselling author, Carrie Ann Ryan: "Count on Carrie Ann Ryan for emotional, sexy, character driven stories that capture your heart!" - Carly Phillips, NY Times bestselling author "Carrie Ann Ryan's romances are my newest addiction! "What happens when rhetoric about immigrants escalates to an institutionalized population control system? Ink opens as a biometric tattoo is approved for use to mark temporary workers, permanent residents and citizens with recent immigration history--collectively known as inks"--Page 4 of cover. **WINNER of the 2018 Sami Rohr Prize for Jewish Literature and the 2018 Sophie Brody Medal for achievement in Jewish literature** **2018 Natan Book Award Finalist** **Finalist for the 2017 National Jewish Book Award in Women's Studies** The Wall Street Journal: "There is humor and heartbreak in these pages...Ms. Kurshan immerses herself in the demands of daily Talmud study and allows the words of ancient scholars to transform the patterns of her own life." The Jewish Standard: "Brilliant, beautifully written, sensitive, original." The Jerusalem Post: "A beautiful and inspiring book. Both religious and secular readers will find themselves immensely moved by [Kurshan's] personal story." American Jewish World: "So engrossing I hardly could put it down." At the age of twenty-seven, alone in Jerusalem in the wake of a painful divorce, Ilana Kurshan joined the world's largest book club, learning daf yomi, Hebrew for "daily page" of the Talmud, a book of rabbinic teachings spanning about six hundred years. Her story is a tale of heartache and humor, of love and loss, of marriage and motherhood, and of learning to put one foot in front of the other by turning page after page.

Kurshan takes us on a deeply accessible and personal guided tour of the Talmud. For people of the book—both Jewish and non-Jewish—If All the Seas Were Ink is a celebration of learning, through literature, how to fall in love once again. Discussion guide available at ilanakurshan.com A School for Unusual Girls is the first captivating installment in the Stranje House series for young adults by award-winning author Kathleen Baldwin. #1 New York Times bestselling author Meg Cabot calls this romantic Regency adventure "completely original and totally engrossing." It's 1814. Napoleon is exiled on Elba. Europe is in shambles. Britain is at war on four fronts. And Stranje House, a School for Unusual Girls, has become one of Regency England's dark little secrets. The daughters of the beau monde who don't fit high society's constrictive mold are banished to Stranje House to be reformed into marriageable young ladies. Or so their parents think. In truth, Headmistress Emma Stranje, the original unusual girl, has plans for the young ladies—plans that entangle the girls in the dangerous world of spies, diplomacy, and war. After accidentally setting her father's stables on fire while performing a scientific experiment, Miss Georgiana Fitzwilliam is sent to Stranje House. But Georgie has no intention of being turned into a simpering, pudding-headed, marriageable miss. She plans to escape as soon as possible—until she meets Lord Sebastian Wyatt. Thrust together in a desperate mission to invent a new invisible ink for the English war effort, Georgie and Sebastian must find a way to work together without losing their heads—or their hearts.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Restore your faith in love and family with one Army wife's courageous story of how she helped her husband recuperate from losing both of his legs while serving in Afghanistan. Paige received the phone call that every military wife prays will never come. Her husband, Army Sergeant Josh Wetzel, stepped on an improvised explosive device while patrolling in Afghanistan. The blast resulted in the immediate loss of his legs. His survival was uncertain, and in the days to come, this traumatic incident began an unbelievable journey of faith for them as a couple. Paige's vulnerability as she struggles physically, emotionally, and spiritually, will remind you of the power of commitment and love in the face of adversity. You will discover the bravery and grit of a woman who stood behind the battle lines but faced a battle of her own to save her marriage and her family. As a military wife, Paige had to come to terms with the priorities of the military: God, Country, and then Family. The remarkable true story of the document heist that shocked the world. Like many aspiring writers, David Breithaupt had money problems. But what he also had was unsupervised access to one of the finest special collections libraries in the country. In October 1990, Kenyon College hired Breithaupt as its library's part-time evening supervisor. In April 2000, he was fired after a Georgia librarian discovered him selling a letter by Flannery O'Connor on eBay, but that was only the tip of the iceberg: for the past ten years, Breithaupt had been browsing the collection, taking from it whatever rare books, manuscripts, and documents caught his eye—W. H. Auden annotated typescripts, a Thomas

Pynchon manuscript, and much, much more. It was a large-scale, long-term pillaging of Kenyon College's most precious works. After he was caught, the American justice system looked like it was about to disappoint the college the way it had countless rare book crime victims before—but Kenyon, refused to let this happen . . . Bunny (real name Bernard) doesn't understand why his late grandfather wants him to get a tattoo. Actually, Bunny doesn't understand a lot of things, so it's good that his older brother, Spencer, is happy to explain things to him. But this is a task Bunny is supposed to do on his own, and nobody is more surprised than Bunny when, after he gets tattooed, he is befriended by a kid named Jaden and adopted into Jaden's gang. The gang hangs out at a gym, where Bunny learns to fight, but when it finally dawns on him that the gang is involved in some pretty shady—and dangerous—business, Bunny is torn between his loyalty to his new friends and doing what he knows is right. Bunny's adventures start in Weerdest Day Ever!, part of The Seven Prequels and continue in The Wolf and Me, part of The Seven Sequels. Unfaithful Music and Disappearing Ink is the long-awaited memoir from Elvis Costello, one of rock and roll's most iconic stars. Born Declan Patrick MacManus, Elvis Costello was raised in London and Liverpool, grandson of a trumpet player on the White Star Line and son of a jazz musician who became a successful radio dance band vocalist. Costello went into the family business and had taken the popular music world by storm before he was twenty-four. Costello continues to add to one of the most intriguing and extensive songbooks of the day. His performances have taken him from a cardboard guitar in his front room to fronting a rock and roll band on your television screen and performing in the world's greatest concert halls in a wild variety of company. Unfaithful Music describes how Costello's career has somehow endured for almost four decades through a combination of dumb luck and animal cunning, even managing the occasional absurd episode of pop stardom. The memoir, written entirely by Costello himself, offers his unique view of his unlikely and sometimes comical rise to international success, with diversions through the previously undocumented emotional foundations of some of his best known songs and the hits of tomorrow. The book contains many stories and observations about his renowned co-writers and co-conspirators, though Costello also pauses along the way for considerations on the less appealing side of infamy. Unfaithful Music & Disappearing Ink is destined to be a classic, idiosyncratic memoir of a singular man. NYT Bestselling Author Carrie Ann Ryan begins her binge-worthy Montgomery Ink series with a bachelor ready to finally settle down and the one woman he shouldn't have. One look at the woman who comes in for new ink and Austin Montgomery knows she's the one for him. The problem: she can't stand him. Now he'll have to be his most charming and brooding if he has any chance of changing her mind...and claiming her heart. Sierra Elder has reasons for keeping away and secrets close to her heart. An accident took her first love and scarred more than her soul in the process. Now the inked man with a wicked grin is starting to melt the ice she's built to keep her safe, but the danger isn't only from what she feels. Some secrets were never meant to be kept and when mistakes

from both of their pasts come knocking, they'll have to trust each other, even if it could hurt them both in the process. The extraordinary story of an unjustly forgotten group of Black men in Pittsburgh who became the first paramedics in America, saving lives and changing the course of emergency medicine around the world. Until the 1970s, if you suffered a medical crisis, your chances of survival were minimal. A 9-1-1 call might bring police or even the local funeral home. But that all changed with Freedom House EMS in Pittsburgh, a group of Black men who became America's first paramedics and set the gold standard for emergency medicine around the world, only to have their story and their legacy erased—until now. In *American Sirens*, acclaimed journalist and paramedic Kevin Hazzard tells the dramatic story of how a group of young, undereducated Black men forged a new frontier of healthcare. He follows a rich cast of characters that includes John Moon, an orphan who found his calling as a paramedic; Peter Safar, the Nobel Prize-nominated physician who invented CPR and realized his vision for a trained ambulance service; and Nancy Caroline, the idealistic young doctor who turned a scrappy team into an international leader. At every turn, Freedom House battled racism—from the community, the police, and the government. Their job was grueling, the rules made up as they went along, their mandate nearly impossible—and yet despite the long odds and fierce opposition, they succeeded spectacularly. Never-before revealed in full, this is a rich and troubling hidden history of the Black origins of America's paramedics, a special band of dedicated essential workers, who stand

ready to serve day and night on the line between life and death for every one of us. An unlikely souvenir from the American Revolution becomes the unusual focal point of a spur-of-the-moment fly-fishing trip. The coveted relic, an inkwell, spirals from a casual topic of conversation into a wondrous curiosity, a reason for family introspection and a backdrop for a lifelong struggle with faith. Fly fishing is the shared and spirited high ground for four long-time friends. Their playful banter about those differences runs throughout this tale with good-humored purpose, until a surprising event sends their attention in a new direction. *The Inkwell* celebrates family connections current and ancestral. If Grandfather Reed hadn't escaped from British captivity in 1777, this 21st-century tale could not be told. Jess Brightwell believes in the value of the Library, but the majority of his knowledge comes from illegal books obtained by his family, who are involved in the thriving black market. Jess has been sent to be his family's spy, but his loyalties are tested in the final months of his training to enter the Library's service. She has one rule: Never sleep with someone twice. Faith Hitchin wears the shadows of the past on her skin for all to see. To a stranger's eye she is a girl with sass and tattoos, a lover of art. But beneath the mystery of swirls and ink she is a woman alone and in pain. When opportunity knocks in the form of an invitation to an art project that could change the direction of her life, she's afraid to move forward. But, like her namesake, she pushes past all inhibitions and takes a leap of Faith. The last thing she imagines is a summer of self-discovery at the hands of a sexy Baroness' son. Elijah Fairclough is arrogant yet charming, complicated but forthcoming.

With his blue eyes, expensive suits and evasive attitude, it seems he's used to getting what he wants, and he wants nothing more than to discover the woman beneath the tattoos in every way possible. Will Elijah's persistence make her break her only rule, or will there be tears of ink? Book one in the enthralling Contemporary Romance series *Tears Of...* *Tears of Ink is the first part in a series and is not a standalone read. Book Two *TEARS OF GLASS* is coming early December 2018. When President George W. Bush nominated Linda Chavez to be Secretary of Labor in January 2001, most political observers saw it as a nod to the right. Chavez had made her reputation taking on the civil rights establishment, the feminist movement, and the multiculturalists. What few people knew was that this hard-nosed conservative began her career among socialists and labor-union officials, teaching in college affirmative-action programs and writing political propaganda for the Democratic National Committee. In *An Unlikely Conservative*, Chavez recounts her political journey from the Young People's Socialist League to the Reagan wing of the Republican Party—and the sometimes shocking personal experiences that shaped her views. From excrement-smearred car seats to threats of attacks with bombs and switchblades, she learned quickly that opposing racial quotas and ethnic studies carried a high personal cost. But at its core, hers is the story of a working-class Hispanic girl who overcomes a difficult and painful childhood to become one of America's most prominent political conservatives. A new chapbook of poems by Lawrence Welsh
