*about apa style american  
psychological association* Aug  
15 2022 web apa style  
originated in 1929 when a  
group of psychologists  
anthropologists and business  
managers convened and sought  
to establish a simple set of  
procedures or style guidelines

that would codify the many components of scientific writing to increase the ease of reading comprehension

**what is the american psychological association**

**verywell mind** Oct 17 2022  
web mar 5 2022 the american psychological association was established in july 1892 at clark university during its first year apa had 31 members and g stanley hall served as the organization s first president today apa is composed of 54 distinct divisions that each focus on a sub discipline or topic within psychology such as educational psychology
