Find the right word fast with this indispensable guide from America's Language Experts. The perfect tool for readers and writers, The Merriam-Webster Thesaurus features more than 150,000 word choices, including related words, antonyms, and near antonyms. Each main entry provides the meaning shared by the synonyms listed and abundant usage examples show words used in context. With words alphabetically organized for ease of use, this thesaurus is perfect for home, school, or work and is a great complement to The Merriam-Webster Dictionary, mass-market paperback. A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show Bookmarks: Celebrating Black Voices! National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes-and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as El Día En Que Descubres Quién Eres!) THE CLASSIC THRILLER FROM #1 NEW YORK TIMES BESTSELLING AUTHOR FREDERICK FORSYTH “The Day of the Jackal makes such comparable books such as The Manchurian Candidate and The Spy Who Came in from the Cold seem like Hardy Boy mysteries.”—The New York Times The Jackal. A tall, blond Englishman with opaque, gray eyes. A killer at the top of his profession. A man unknown to any secret service in the world. An assassin with a contract to kill the world's most heavily guarded man. One man with a rifle who can change the course of history. One man whose mission is so secretive not even his employers know his name. And as the minutes count down to the final act of execution, it seems that there is no power on earth that can stop the Jackal. "The story of Garrett Morgan, an African American inventor, who created the first automatic three-way traffic signal system"-- The third book in Sarah MacLean's witty and romantic Scandal & Scoundrel series featuring a ravishing heroine and the man, desperately in love, who now has to make amends. The one woman he will never forget... Malcolm Bevingstoke, Duke of Haven, has lived the last three years in self-imposed solitude, paying the price for a mistake he can never reverse and a love he lost forever. The dukedom does not wait, however, and Haven requires an heir, which means he must find himself a wife by summer's end. There is only one problem—he already has one. The one man she will never forgive... After years in exile, Seraphina, Duchess of Haven, returns to London with a single goal—to reclaim the life she left and find happiness, unencumbered by the man who broke her heart. Haven offers her a deal; Sera can have her freedom, just as soon as she finds her replacement...which requires her to spend the summer in close quarters with the husband she does not want, but somehow cannot resist. A love that neither can deny... The duke has a single summer to woo his wife and convince her that, despite their broken past, he can give her forever, making every day the Day of the Duchess. The hilarious, colorful #1 New York Times bestselling phenomenon that every kid wants! Gift a copy to someone you love today. Poor Duncan just wants to color. But when he opens his box of crayons, he finds only letters, all saying the same thing: His crayons have had enough! They quit! Blue crayon needs a break from coloring all those bodies of water. Black crayon wants to be used for more than just outlining. And Orange and Yellow are no longer speaking—each believes he is the true color of the sun. What can Duncan possibly do to appease all of the crayons and get them back to doing what they do best? With giggle-inducing text from Drew Daywalt and bold and bright illustrations from Oliver Jeffers, The Day the Crayons Quit is the perfect gift for new parents, baby showers, back-to-school, or any time of year! Perfect for fans of Don't Let the Pigeon Drive the Bus by Mo Willems and The True Story of the Three Little Pigs by Jon Scieszka and Lane Smith. Praise for The Day the Crayons Quit: Amazon’s 2013 Best Picture Book of the Year A Barnes & Noble Best Book of 2013 Goodreads’ 2013 Best Picture Book of the Year Winner of the E.B. White Read-Aloud Award * “Hilarious . . . Move over, Click, Clack, Moo; we’ve got a new contender for the most successful picture-book strike.” –BCCB, starred review “Jeffers . . . elevates crayon drawing to remarkable heights.” –Booklist “Fresh and funny.” –The Wall Street Journal "This book will have children asking to have it read again and again.” –Library Media Connection * “This colorful title should make for an uproarious storytime.” –School Library Journal, starred review * “These memorable personalities will leave readers glancing apprehensively at their own crayon boxes.” –Publishers Weekly, starred review “Utterly original.” –San Francisco Chronicle A Word a Day contains 365 carefully selected words that will enhance and expand your vocabulary, along with their meanings, origins and sample usage and fascinating word-related facts and trivia. It is estimated that on average an English-speaking adult has acquired a functioning vocabulary of 25,000 words by the time they reach middle age. That sounds like a lot - and more than enough for the daily purposes of communicating with each other in speech and writing. However, it is hard to feel quite so sanguine about our word power when considering those 25,000 words account for less than fifteen per cent of the total words in current usage in the English language. Furthermore, new words are created all the time and, as the word pool flourishes, can we afford to allow our vocabulary to stagnate? Logophile Joseph Piercy has the answer: a simple challenge to learn A Word a Day from this user-friendly onomasticon (that's a word list designed for a specific purpose - in case you were wondering .). Each of the 365 words have been carefully selected for their elegance and pertinence in everyday situations and every entry contains a clear and concise outline of meaning, origin and sample usage in context, alongside fascinating word related facts and trivia. A Word a Day is a treasure trove of fascination and fun for all language lovers - delve in and enhance your vocabulary. A riveting English translation the Irish classic tale of heartache, death, and loneliness by the beloved author of The Dirty Dust The final published work by the renowned Máirtín Ó Cadhain, this novella follows a widower as he attempts to plan his wife’s funeral arrangements without money, direction, or whiskey. Thrown into a desert of unknowing, he knows not where to turn or what to do. In a poignant meditation on regret, possibilities, maybes, and avoidances, the author portrays a man hopelessly watching as the people in the world go about their lives around him. With black humor sprinkled throughout, the book, a profound look at psychic loss and puzzlement by a writer at the height of his powers, illustrates Ó Cadhain’s conviction that tragedy and comedy are inextricably connected. Bringing this work to an English-speaking audience for the first time, this volume includes an illuminating introduction by Alan Titley, whose skillful translation captures the spirit and tone of the original. Maggie Beaumont's luck is about to change. Sure, she's known for her bad romantic choices—her former boyfriend broke up with her by bringing his new girlfriend home for a visit. And then there was the crush she had on a gorgeous young Irishman— who turned out to be Father Tim, the parish's new priest. But romantic salvation has arrived in the form of handsome, if surly, fisherman Malone. It turns out there's a heart of gold underneath his barnacle-clad exterior. Will this catch of the day turn into the dish of a lifetime? A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel “Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history.”—The Washington Post Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother’s withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today’s headlines. This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole. Start each day with this beautifully illustrated gift book on 365 saints in the Christian heritage. Organized by saints’ specific feast days, each page of this beautifully illustrated book provides a day’s worth of history, tradition, and inspiration from the lives and teachings of the saints in the Christian canon, from St. Apollonia to St. Zita. This illustrated book of days tells the life stories, ministry, and beatification of 365 Saints, each beautifully rendered with classic paintings and historic iconography. Designed to become a family heirloom, this reference book lists each saint’s common patronages so readers can call upon them with prayers for intercession during times of trouble, sickness, or loss. A perfect gift for Christenings, Confirmations, Birthdays, and holidays. A timely chronicle of what is now an ordinary day in America, where gun violence regularly takes the lives of children and teens, and leaves shattered families in its wake. Winner of the 2017 J. Anthony Lukas PrizeShortlisted for the 2017 Hurston/Wright Foundation AwardFinalist for the 2017 Helen Bernstein Book Award for Excellence in JournalismLonglisted for the 2017 Andrew Carnegie Medal for Excellence in Non Fiction On an average day in America, seven children and teens will be shot dead. In Another Day in the Death of America, award-winning journalist Gary Younge tells the stories of the lives lost during one such day. It could have been any day, but he chose November 23, 2013. Black, white, and Latino, aged nine to nineteen, they fell at sleepovers, on street corners, in stairwells, and on their own doorsteps. From the rural Midwest to the barrios of Texas, the narrative crisscrosses the country over a period of twenty-four hours to reveal the full human stories behind the gun-violence statistics and the brief mentions in local papers of lives lost. This powerful and moving work puts a human face-a child's face-on the "collateral damage" of gun deaths across the country. This is not a book about gun control, but about what happens in a country where it does not exist. What emerges in these pages is a searing and urgent portrait of youth, family, and firearms in America today. Provides entries for over 315,000 words and phrases, and includes a list of new words. Learn a new Icelandic word each and every day. Are you learning Icelandic and looking for a quick and easy vocabulary boost? Carry this book around with you every day and learn a new Icelandic word whenever you get the chance. Take those small moments in the day where you have a few seconds free and use them to learn Icelandic. The easiest way to increase your Icelandic vocabulary and get one step closer to fluency. Order your copy of "Icelandic Word of the Day" now and accelerate your Icelandic vocabulary! ECPA BESTSELLER • The New York Times best-selling sports star and media icon motivates readers to stop postponing dreams and start making them happen now because—this is the day. Beyond Tim Tebow's exploits as a Heisman-winning football player, he is widely known and respected for his exemplary character and personal excellence, which have made him a role model for millions. When Tim interacts with the public, he often encounters people who feel “stuck”—unable to take action on matters ranging from daily life to pursuing lifelong dreams. In response, Tim often identifies a crippling fear or lack of courage, to which he advises: “now is the time to take some risks, to quiet the voices of defeat, to step forward and make a mark, because this is the day.” In this inspiring, motivational book, readers will receive the advice and encouragement to daily move from “pause” to “play” in finding deeper meaning and success. Tim illustrates the book's themes with stories from his personal life that will delight all readers, including his an update on his dream pursuit of a baseball career. Following his acclaimed New York Times bestseller Did You Ever Have a Family, Bill Clegg returns with a “delicate, deeply observed, and deftly crafted” (Nickolas Butler, author of Shotgun Lovesongs) second novel about the complicated bonds and breaking points of friendship, the corrosive forces of secrets, the heartbeat of longing, and the redemption found in forgiveness. A retired widow in rural Connecticut wakes to an unexpected visit from her childhood best friend whom she hasn’t seen in forty-nine years. A man arrives at a Pennsylvania hotel to introduce his estranged father to his newborn daughter and finds him collapsed on the floor of the lobby. A sixty-seven-year-old taxi driver in Kauai receives a phone call from the mainland that jars her back to a traumatic past. These seemingly disconnected lives come together as half-century-old secrets begin to surface. It is in this moment that Bill Clegg reminds us how choices—to connect, to betray, to protect—become our legacy. “Written in lyrical, beautiful prose that makes even waking up seem like a poetic event” (Good Morning

America), this novel is a feat of storytelling, capturing sixty years within the framework of one fateful day. A New York Times Notable Book of the Year, a Washington Post Best Book of the Year Spanning the era between the Chicago World’s Fair of 1893 and the years just after World War I, and constantly moving between locations across the globe (and to a few places not strictly speaking on the map at all), *Against the Day* unfolds with a phantasmagoria of characters that includes anarchists, balloonists, gamblers, drug enthusiasts, mathematicians, mad scientists, shamans, spies, and hired guns. As an era of uncertainty comes crashing down around their ears and an unpredictable future commences, these folks are mostly just trying to pursue their lives. Sometimes they manage to catch up; sometimes it’s their lives that pursue them. In *The Heat of the Day*, Elizabeth Bowen brilliantly recreates the tense and dangerous atmosphere of London during the bombing raids of World War II. Many people have fled the city, and those who stayed behind find themselves thrown together in an odd intimacy born of crisis. Stella Rodney is one of those who chose to stay. But for her, the sense of impending catastrophe becomes acutely personal when she discovers that her lover, Robert, is suspected of selling secrets to the enemy, and that the man who is following him wants Stella herself as the price of his silence. Caught between these two men, not sure whom to believe, Stella finds her world crumbling as she learns how little we can truly know of those around us.

Welcome to Merriam-Webster Kids! Fall 2021 marks the debut of our new imprint that serves our mission to help kids better understand and communicate with the world around them through highly engaging content designed to foster a love of language and learning from an early age. Our list is small, yet focused; over time you will see it build across all categories and ages that serve ages 0-12 and the families, teachers, and librarians that support them. From the largest team of dictionary editors and writers in America, and one of the largest in the world, thank-you for supporting us and Merriam-Webster Kids. Inspired by Merriam-Webster’s popular Word of the Day digital feature, this book builds knowledge one day at a time with 366 masterful words, ages 8-12. Become a word virtuoso in just one year with 366 crackerjack words aimed to impress. This charmingly illustrated book features boffo words selected by the masterminds at Merriam-Webster to highlight the English language and its odd and unexpected history. An NPR Best Book of the Year Winner of the 2017 Prix Goncourt, this behind-the-scenes account of the manipulation, hubris, and greed that together led to Nazi Germany’s annexation of Austria brilliantly dismantles the myth of an effortless victory and offers a dire warning for our current political crisis. February 20, 1933, an unremarkable day during a harsh Berlin winter: A meeting of twenty-four German captains of industry and senior Nazi officials is being held in secret in the plush lounge of the Reichstag. They are there to extract funds for the accession to power of the National Socialist Party and its Chancellor. This opening scene sets a tone of consent that will lead to the worst possible repercussions. March 12, 1938, the annexation of Austria is on the agenda: A grotesque day intended to make history—the newsreels capture a motorized army on the move, a terrible, inexorable power. But behind Goebbels’s splendid propaganda, an ersatz Blitzkrieg unfolds, the Panzers breaking down en masse on the roads into Austria. The true behind-the-scenes account of the Anschluss—a patchwork of minor flourishes of strength and fine words, fevered telephone calls, and vulgar threats—all reveal a starkly different picture. It is not strength of character or the determination of a people that wins the day, but rather a combination of intimidation and bluff. With this vivid, compelling history, Éric Vuillard warns against the peril of willfully blind acquiescence, and offers a reminder that, ultimately, the worst is not inescapable. **BOOKER PRIZE WINNER** • From the winner of the Nobel Prize in Literature, here is “an intricate and dazzling novel” (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is Kazuo Ishiguro’s profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the “great gentleman,” Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington’s “greatness,” and much graver doubts about the nature of his own life. Demands of the Day asks about the logical standards and forms that should guide ethical and experimental anthropology in the twenty-first century. Anthropologists Paul Rabinow and Anthony Stavrianakis do so by taking up Max Weber’s notion of the “demands of the day.” Just as the demand of the day for anthropology decades ago consisted of thinking about fieldwork, today, they argue, the demand is to examine what happens after, how the experiences of fieldwork are gathered, curated, narrated, and ultimately made available for an anthropological practice that moves beyond mere ethnographic description. Rabinow and Stavrianakis draw on experiences from an innovative set of anthropological experiments that investigated how and whether the human and biological sciences could be brought into a mutually enriching relationship. Conceptualizing the anthropological and philosophic ramifications of these inquiries, they offer a bold challenge to contemporary anthropology to undertake a more rigorous examination of its own practices, blind spots, and capacities, in order to meet the demands of our day. The classic postapocalyptic thriller with “all the reality of a vividly realized nightmare” (The Times, London). Triffids are odd, interesting little plants that grow in everyone’s garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, *The Day of the Triffids* is a landmark of speculative fiction, and “an outstanding and entertaining novel” (Library Journal). “A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham so much.” —Ramsey Campbell, author of *The Overnight* “One of my all-time favorite novels. It’s absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery.” —Joe R. Lansdale, author of *Edge of Dark Water* Proven strategies and tactics that you can use to lead workers to safety Industrial facilities supervisors, from front-line managers to CEOs, can depend on *Alive and Well at the End of the Day* for tested and proven management and leadership practices that ensure the safety of their workers. With more than thirty years of hands-on experience in the chemical industry, including front-line management, author Paul Balmert understands the challenges facing supervisors in industrial facilities. His advice, based on firsthand experience, shows you how to identify and correct flaws in industrial practices. Moreover, he shows you how to lead by example, overcoming all obstacles that interfere with safety. Rather than focus on theory, this book offers concrete strategies and tactics that enable you to: Recognize and capitalize on the moments when workers are most receptive to learning safety Discover what's really going on when you tour and inspect plant operations Engage in a helpful discussion with someone who is not following safety guidelines Understand the various types of risk involved in an industrial operation Implement a comprehensive strategy to manage and minimize risk Throughout the book, plenty of case studies and examples illustrate key challenges alongside step-by-step solutions. You'll also learn how to understand and leverage the psychology and motivations of your staff in order to fully implement safety practices and procedures. In short, with this book as your guide, you will be equipped and ready to lead your staff to safety. "A critically acclaimed guide to English usage. Includes more than 2,300 entries presenting the history, analysis, and recommendations regarding noted usage controversies. Entries are illustrated with more than 20,000 quotations from prominent writers."\\ Winner of the 1963 Caldecott Medal! No book has captured the magic and sense of possibility of the first snowfall better than *The Snowy Day*. Universal in its appeal, the story has become a favorite of millions, as it reveals a child’s wonder at a new world, and the hope of capturing and keeping that wonder forever. The adventures of a little boy in the city on a very snowy day. "Keats's sparse collage illustrations capture the wonder and beauty a snowy day can bring to a small child."—Barnes & Noble "Ezra Jack Keats's classic *The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."—Publisher's Weekly "The book is notable not only for its lovely artwork and tone, but also for its importance as a trailblazer. According to *Horn Book* magazine, *The Snowy Day* was "the very first full-color picture book to feature a small black hero"—yet another reason to add this classic to your shelves. It's as unique and special as a snowflake."—Amazon.com The unparalleled work of history that recreates the battle that changed World War II -- now in a new edition for the 50th anniversary of D-Day. Newly in print for the first time in years, this is the classic story of the invasion of Normandy, and a book that endures as a masterpiece of living history. A compelling tale of courage and heroism, glow and tragedy, *The Longest Day* painstakingly recreates the fateful hours that preceded and followed the massive invasion of Normandy to retell the story of an epic battle that would turn the tide against world fascism and free Europe from the grip of Nazi Germany. For this new edition of *The Longest Day*, the original photographs used in the first 1959 edition have been reassembled and painstakingly reproduced, and the text has been freshly reset. Here is a book that is a must for any follower of history, as well as for anyone who wants to better understand how free nations prevailed at a time when darkness enshrouded the earth. A lovelorn diner owner, with the help of nosy gossips and some divine intervention, meets her match in a strong but silent lobsterman who sweeps her off her feet. Welcome to *Spellbound*, where paranormal is the new normal.The only magic Emma Hart believes in is caffeine and the power of the dryer to lose one sock per load. A public interest lawyer buried under a mound of student debt, Emma's whole life has been one turn of bad luck after another. Her streak seems to continue when she gets lost on the way to see a client in the remote Pocono Mountains. A chance encounter with a suicidal angel lands her in *Spellbound*, a town where supernaturals have been cursed to remain for centuries--probably not the best time for Emma to discover that she's actually a witch. Between the recent murder of the town's public defender, a goblin accused of theft, remedial witch classes, and the attention of one smoking hot vampire, Emma struggles to navigate this unfamiliar terrain without losing her mind...or her life. *Curse the Day* is the first book in the *Spellbound* paranormal cozy mystery series. *Breakfast* is an exploration of everything about breakfast and brunch. This celebration of the most popular meal of the day offers engaging stories, essential how-tos, and killer breakfast recipes. Discover exciting new ingredients and the secrets to making Entenmann's Cake Doughnuts and Taco Bell Crunchwraps at home, among many other dishes. Learn the origins of scrapple and how to brew barista-level drinks. Based on the popular website *ExtraCrispy.com*, this book--the perfect gift for anyone who loves all-day-breakfast--is packed with 100 photos, humorous illustrations, and amazing, craveable food.
